# LET'S DANCE!

An English Country Dance Series  
for Intermediate and Experienced Dancers

Dances and Dancing with Style and Substance

*Led by Sue Dupré and Judi Rivkin, with Live Music!*

*Five Monday Evenings: May 20<sup>th</sup>-June 24<sup>th</sup>, 2013, 7:30-9:30 p.m.*  
*(no dance on Memorial Day Monday, May 27)*

*Suzanne Patterson Center, Monument Drive (off Rt. 206/Stockton St.), Princeton*

*Series Price: \$40 for all five evenings; \$10 per evening; \$6 students*

In this six-week series of dances, we will concentrate on building repertoire and finding joy in good dancing. Our aim is to help you find additional levels of satisfaction and delight in your dancing, whether it's in recent works or old favorites, whether you've been doing this six months or 60 years! Each evening can stand alone, though we may work on special dances multiple times; plan now to join us for all six dances, or as many as your schedule permits.

Definition of an intermediate-level dancer, for purposes of these evenings: *An intermediate-level dancer will be comfortable with:*

- ♪ Rights and lefts (with hands) ♪ Circular heys (no hands) ♪ Casting ♪ Basic heys for 3 or 4 ♪
- ♪ Half, full, and double figures of eight ♪ Pousettes ♪ Siding ♪

*After the teaching and walk-through of a straightforward dance, an intermediate-level dancer should not only be able to dance the figures of the dance, but should be ready to think about dancing those figures with style, energy, and good timing. If you find you're spending most of your mental effort to make sure you end up in the right place, or that you rely on other people to get you to the right place, then we ask that you become more comfortable with basic figures and developing good dance memory before attending these dances.*

NOTE: To protect the floor of the hall, please bring clean, SOFT-SOLED SHOES for dancing. Also, in consideration of dancers with sensitivities, please refrain from wearing any FRAGRANCES.
